

Sponsor Invitation Letter

To Our Valued Partners & Sponsors,

We are pleased to invite your organization to consider sponsorship to the MMIX & MMNOG Forum 2020 (**Myanmar Peering Forum & Myanmar Network Operators' Forum**) organized by Myanmar Internet Exchange – MMIX. It is scheduled to take place from January 13 to 17 of 2020 in Yangon, Myanmar. The goal of this event is for peering opportunity among Data Network Owners for benefit to all Internet Stake Holders. This event will bring together Internet Business Leaders, Internet Experts and Networking Engineers, networking professionals, technical communities, Government representatives, Network Operators, Content Providers, International Organizations, and other interested parties under one roof.

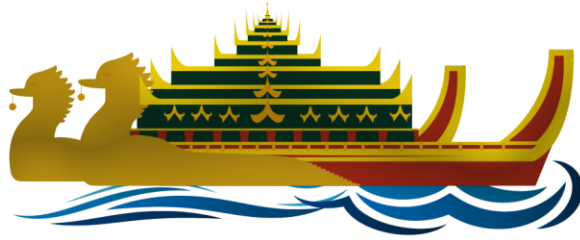

In this great event, 2 days conferences and 3 days workshop will be included. This event will provide great opportunities for peering, interconnection and advanced technical knowledge, learn from workshops and tutorials, attend technical presentations, update each other on their work, share news and updates, exchange best practices, discuss new technologies or protocols, teach and learn from each other, network with other members of the community, and discuss current network, Internet-related issues and challenges. For more detailed information, please read at <https://2020.mm-ix.net/> or <https://2020.mmnog.net>. We attached sponsorship packages for your consideration.

Your consideration on Sponsorship is greatly appreciated as we seek to strengthen the expertise to MMIX & MMNOG moving forward. We hope to hear good news from you.

Sincerely,

Thein Myint Khine
Chair, Coordination Committee

About MMIX

Myanmar Internet Exchange (MMIX) is a neutral, non-profit, industry-owned Association that provides IP peering facilities for its members. MMIX is a Myanmar Internet Exchange Point and Myanmar's peering hub. MMIX membership is open to all individuals and organizations that can benefit from peering their IP traffic.

About MMNOG

Myanmar Network Operators' Group (mmNOG) is an informal group set up to provide an educational and operational forum for Internet network operators and interested professionals/engineers related to the Internet's technologies and operational practices to discuss matters of mutual interest, exchange technical information and learning, and discuss specific implementation issues. mmNOG is open to all ISPs and Internet related organizations in Myanmar and also from around the world.

Schedule:

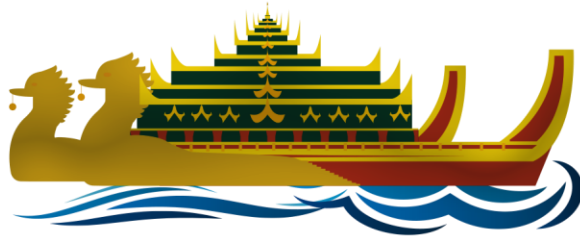

13-15, Jan, 2020 9AM to 5PM	Technical Workshop
16, Jan, 2020 9AM to 5PM	Myanmar Network Operator's Forum 2020 Presentations + Panel Discussion + Tutorials
17, Jan, 2020 9AM to 5PM	Myanmar Peering Forum 2020 Presentations + Panel Discussion + Tutorials

Programs

This Event will include workshop, tutorials and presentations sessions.

Workshop shall be contributed by APNIC and the title is [Introduction to SDN \(Software Defined Network\)](#)

MMIX MMNOG FORUM 2020

This year, we formed “Program Committee” participating technical experts from various organizations. Anyone who likes to present Tutorial sessions and presentation sessions, shall submit paper to Program Committee at [Paper Submission Link](#). Program Committee shall select the best Tutorials and Presentations.

Fellowship Program

We also have fellowship program. The program is designed to provide funding assistance to selected applicants to attend this event. The purpose of the Fellowship Program is to give opportunities to Internet network engineers and operators from the remote parts of Myanmar to participate in the event. The award is open to anyone who meets the criteria we shall announce later. Briefly, Applications are open to residents of all States and Divisions of Myanmar except Yangon Division.

The Fellowship Committee will conduct ongoing evaluations of the applicants and make their selections based on certain criteria including applicant experience and applicant's desire to continue to participate in the event. Women are especially encouraged to apply. The Fellowship Award which is granted to successful applicants (Fellows) covers the conference registration fee, accommodation and traveling expenses associated with attending the Event.
